pg.20-Argentina, America & The End of History

Notice: Gustavo Brondino is an gent of the synarchy and his work is largely disinformation. Nevertheless these articles are presented to give insight into the plans of the synarchy which articles seem to be a legitimate revelation of their method and reveal their plans from a more esoteric perspective.

Strategic Guidelines

Dear comrades, we are on a war footing in the face of this massacre that the dark forces of Shamballa are perpetrating against humanity; this includes both the lost viryas and the awakened viryas like ourselves. For those new to this path of Hyperborean wisdom, we shall explain the following in simple terms: the word 'virya' means 'semi-divine human', which would

any ordinary human being who possesses a Hyperborean spirit that belongs neither to this creation nor to this material universe.

This means that a divine being of the Hyperborean race is trapped within the body and soul of a human being, both of which (soul and body) were indeed created in this

universe.

The 'lost virya' would be the man or woman who does not know that they are chained and has not the faintest idea that there is a fundamental war between two factions (groups) of the Hyperborean race; the first faction consists of those who betrayed their race and chained it to this creation by making a pact

with the demiurge (Abraxas), also known as the ONE, a Hyperborean spirit who created this material universe prior to the chaining of the

divine Hyperboreans.

The second faction (group) is made up of members of the Hyperborean race who seek to free the prisoners; they have declared total war

against the demiurge and the traitors.

To expand on this concept a little for newcomers reading this text—primarily the lost viryas, those who are still asleep—both sides have been fighting for a very long time: some wish to free us from this material prison, whilst others wish to keep us here to utilise the infinite energy of the

spirit to sustain this creation and maintain the evolution of creation and the evolution of the soul-body towards a perfection that will never come to pass.

The traitorous Hyperboreans, who were the ones who chained and betrayed their own kind, are known as siddhas or the traitorous gods of Chang Shamballa. Shamballa is an extraterrestrial city of colossal dimensions situated between the Earth and the Sun, but it is invisible to the lost viryas.

The loyal Hyperboreans are those who seek to free their own from this material prison; they are called 'loyal' because they are loyal to the eternal, extra-universal

and anti-material spirit; they are loyal to their own, whom they wish to rescue from this material prison, and they refused to make any pact with the demiurge; essentially,

came to rescue the chained and trapped Hyperboreans; these loyal Hyperboreans are also known as siddhas or the loyal gods of Agartha. Agartha is a continental landmass that the loyal siddhas wrested from this planet's creation; they stole part of the demiurge's substance in order to remove it from time and, from that place, launch strategies to liberate the
imprisoned Hyperboreans (spirits). We shall not explain how the loyal Siddhas accomplished this feat, as much of this is covered in the study of Hyperborean wisdom and is not the purpose of this text.

We have prepared this text for the lost and awakened viryas, for comrades both new and old. It sets out certain guidelines to follow in the study of Hyperborean Wisdom to enhance your level of guidance and blood purification in the process of spiritual liberation. We also provide an explanation of what Hyperborean Wisdom is and is not, with the aim of dispelling any doubts.

Hyperborean wisdom is a real artificial system of spiritual liberation; but what does 'real artificial system' mean? It means that it is a system created in this world but which does not belong to this world;
we mean that there is no archetype underpinning it, nor any design (destiny) by which it exists;
it means that it was artificially inserted into creation. There are many Hyperborean artificial real systems on the planet, many of which are hidden from the lost virya; the best known are stone structures such as certain Greek temples. To understand these systems, we recommend delving deeper into the greater and lesser Hyperborean arts, which are explained in the fundamentals of Hyperborean wisdom.

The Fundamentals of Hyperborean Wisdom consist of thirteen runes from Odin's Tirodal Book; this crystal book is housed in the library of Agartha. Further information on how the books were created
can be found in the Fundamentals. For newcomers reading this information, the runes are magical weapons that Odin left in this world so that awakened Viryas might use them; there are many websites that explain the origin of the runes.

The loyal siddhas of Agartha have many plans to try to free the prisoners; many paths to liberation have been unleashed throughout history against the traitorous siddhas of
Shamballa—who, as mentioned earlier, chained the Hyperborean beings within this creation.

The thirteen runes of Odin's Tirodal Book could not be interpreted by any human language; this means that the semiotics of the runes in the Tirodal Book

could not be expressed through the semantics of any human language; the loyal Siddhas had to launch a strategy to create the Romance languages against the traitorous Siddhas and the Synarchy (their global organisation) when the traitors destroyed Greece and Rome, as Latin and Greek had become dead languages.

The loyal Siddhas of Agartha chose the Spanish language as one of the Romance languages to launch a strategy of liberation; this is how

the foundations of Hyperborean Wisdom came into being.

Luis Felipe Moyano, also known as Nimrod de Rosario, was the one who wrote the foundations of Hyperborean Wisdom on the instructions of the loyal Siddhas, with the aim of creating this
real artificial system based on the Tirodal language; this is how the thirteen runes of the book came to be written in the thirteen volumes of the Foundations of Hyperborean Wisdom. As the runes are symbols, the full truth or meaning that a rune can encompass

had to be translated and written in human language so that it could fulfil its function of liberation.

It is important to clarify that the Fundamentals are not easy to read; indeed, no one ever claimed that spiritual liberation from this material prison was a simple matter.

We shall explain the three processes of initiation through which the lost or awakened virya must pass in their inner and outer struggle for liberation; Hyperborean

Hyperborean wisdom is not for sale and no fee is charged; this is a war, not a business. However, little by little we shall explain what the virya must guard against during their process of liberation and what might happen to the future of Hyperborean wisdom. This is important to prevent the viryas from straying and to assist them in their journey towards the conquest of their spirit and liberation.

We might explain a process of initiation as a radical change in a human being's state of consciousness or spiritual state; throughout the

history of humanity, initiation processes have been practised; generally, these initiations are based on the development or evolution of the soul,

the purpose of which is to ensure that those initiated in the soul remain within the evolutionary plan of creation; for example, one might attain a 33rd-degree initiation in Freemasonry, yet one is never truly free, as everything consists of following the demiurge's evolutionary plan.

1) The existence of the spiritual 'I' within human consciousness is the consequence of spiritual bondage, which is confused with the personality of the soul; this 'I' has no concept that it can separate itself from the soul.

In the case of spiritual initiations, such as the initiation brought about by Hyperborean wisdom,
, we shall explain how this artificial yet real system works. The first initiation would be triggered by reading the book *The Mystery of Belicena Villca*; this book has the power to separate the 'I' of the spirit from the 'I' of the
soul; this means that the spirit is confronted with its prison, which is the soul created by the Demiurge. In this inner struggle, if the process is followed correctly whilst reading, the spiritual 'I' will become separated from the soul, and the lost virya will become an awakened virya. It is important to understand that this book is a framework that enables the first initiation to take place. The book must be read and not listened to as an audiobook, as the virya must internalise the information in order to bring about a genuine separation of the spiritual 'I'. This book must not be altered in any way, as this constitutes a process of degradation that ultimately destroys

the metaphysical function of this book, which forms part of the real artificial system known as Hyperborean Wisdom.

In the first initiation, the 'I' of the spirit, having been separated from the 'I' of the soul, can never again be deceived; it would pass from being a sleeping virya to an awakened virya. However, this does not guarantee its spiritual liberation, as it remains unaware of its true nature and its inner labyrinth.

2) Here we shall begin to explain the process of the second initiation, which consists of reading the Fundamentals of Hyperborean Wisdom, the purpose of which is to purify the blood and bring the unconscious into the conscious. This process of blood purification has nothing to do with physical blood, but rather with a non-physical blood, known

as astral blood. Reading the Fundamentals enables the awakened virya to begin directing their 'I' towards their spirit, which is situated in a place that is neither spatial nor temporal; in simpler terms, that the existence of the 'I' in the soul is only a part of the trapped spirit; the other part is deceived and projected into this material universe; that is why the virya must create a bridge to that manifestation. The place or point towards which we seek to orient ourselves is known as the Selbst.

We shall explain in greater detail how this process of the Selbst unfolds; the mental structure, brain (archetypal memory), as well as the personality, acquired and inherited concepts (cultural structure), form

part of an inner labyrinth; the power inherent in the fundamentals lies in reading them, NOT LISTENING TO THEM. We say this because one must understand how the EYE and the EAR function in the process of spiritual chaining

, though we shall not explain it here; it is, however, explained in certain documents by OCTIRODAE and QUINTA DOMINICA.

This power they possess when reading them is as follows: the fundamentals exert an internal force upon the structures mentioned earlier to create a fissure; this fissure or hole in the psychic structure

will enable you to reach the Selbst, which is the centre of your spirit's projection towards this place. The process differs for each virya; it might happen to one person upon their first reading of the fundamentals, whilst for another virya it might take seven readings. This occurs

involuntarily; in other words, they neither imagine it nor force themselves to experience it. What happens to the virya is that they may be carrying out any everyday activity—reading, washing up, eating, etc.—and suddenly

half of their reality will dissolve into darkness whilst the other half remains ordinary reality. The virya will be struck by this experience of seeing two realities at once; they must not be afraid. However, within that darkness they may see a green sun—a sun that moves around them with its own energy. When the virya experience this process will have attained the Selbst, and this event will be etched into a 'minne'. The 'minne' is the memory of blood, the memory through which it is possible to awaken to the Chain; this concept of the 'minne' is explained in the Fundamentals of Hyperborean Wisdom. This event of the green sun, or Selbst, is also explained by Lito de Tharsis in the book *The Mystery of Belicena Villca*.

This process is real and has occurred to several initiates: to one of the members who assisted with this explanation during the first reading of the Fundamentals, and subsequently to another initiate within OCTIRODAE; we wish to make it clear that this is not anyone's invention and is clearly explained in the Fundamentals.

Part of the second initiation process consists of understanding the sacred symbol of the virya known as tirodingibur and its operational method; the Fundamentals explain the theoretical aspect but not the operational part; that is why it is extremely

important to read the Fundamentals correctly; they are not easy to read, and no one said that freeing oneself from the material prison was simple, as we have already mentioned, since this is a war. Tirodingibur is the union of three runes that the Siddha Odin taught to the awakened viryas of his time so that they might defend and protect themselves within this material prison, using a technique known as strategic opposition.

Throughout all historical eras, the loyal Siddhas of Agartha have bestowed upon the awakened Viryas certain runes as part of their strategy of war for the liberation of the captive Hyperborean beings or spirits.

When *The Foundations of Hyperborean Wisdom* and *The Mystery of Belicena Villca* were created, the Tirodal rune was bestowed; this is why the Foundations feature this rune on their cover, as it forms part, as already mentioned, of Odin's Tirodal book.

However, the Loyal Siddhas did not stop there in this process, as three further crystal books emerged, including certain additional techniques, with the aim of assisting in the process of liberating the lost and awakened viryas; in turn,

they provided an additional rune, which would become the Tirodal rune of victory; this would serve as an addition to the existing Tirodal rune, and would become an OCE (Emerging Cultural Object) of the Foundations. There are many rumours online that the Tirodal Rune of Victory is someone's invention, but this is not the case. False images have also been published linking it to Yave or Jehovah–Satan, who is said to be the demiurge. The Siddhas have many strategies, and one must understand the full truth encompassed by this Tirodal Rune of Victory, as well as the full truth embodied by the Tirodal Rune itself.

That is one of the aims of this text: to help the viryas attain a higher level of discernment regarding what is right and wrong within Hyperborean wisdom, by enhancing their , since HONOUR is the sole value of the virya, and from that value springs RESPECT for the memory and deeds of those who fought and continue to fight for

this cause of the loyal siddhas of Agartha. A virya is not a judge of another virya; we are warriors, not judges. Anyone who cannot accept this has failed to understand the letter to the chosen ones in the slightest. We are part of the last resistance in this material prison.

When these three crystal books emerged as part of the second initiation, certain techniques were revealed which we shall explain later; these three crystal books of Agartha are: *The House of Turdes, Hyperborean Yoga and The Infinite Eight. Studying these books forms part of the second initiation, but on this occasion the Siddhas propose a double isolation of the Self, which consists of stripping the Demiurge of the entire physical body; and if that proves impossible, at least the seven astral bodies considered to be part of the psychic structure of the pasu (animal-man). This process is also linked to the transmutation of the awakened virya into Berserker Virya and subsequently into an Immortal Siddha.

The additional techniques provided by the siddhas alongside these crystal books are the practice of Hyperborean Yoga and Runic Meditation, which seek to create a time of its own for the virya within its microcosm in its process of spiritual reversal and the construction of the ehre sphere, as well as

the re-assignment (change of design) of the four upper chakras using three runes, with the aim of blocking the chakral mandalas, along with the bijas and yantras located there which control the microcosm's design through the kundalini process—a process explained in the fundamentals—

this process forms part of the double isolation of the Self proposed by the loyal siddhas. The three lower chakras are not re-assigned because this could cause a malfunction or imbalance in the microcosm when the kundalini attempts to readjust the functioning of the lower chakras, which could result in death.

This practice of the techniques of the second initiation—tirodingibur, runic meditation and Hyperborean yoga—forms part of the noological pontonica, which seeks to help the awakened viryas to master the vril.

3) The third initiation is bestowed directly by the loyal siddhas of Agartha and amounts to the transmutation of the berserker virya into a Siddha. As explained in the study of Hyperborean Wisdom, one of the reasons why the siddhas do not approach the viryas is that, as the virya carries the infinite pole

and essential hostility—since the virya's body and soul are still part of the demiurge as matter created by him, being his very substance—the siddhas could severely harm the virya for not being fully reverted.

For those who have not studied the fundamentals of Hyperborean Wisdom, the three types of viryas are explained there; in summary, the three types are the 'playful' one, who is someone who commits to nothing and treats everything as a game; the 'sacralising' one, who is someone who sanctifies any knowledge; and the

‘playful Luciferian’, who, through their will, can control and halt any dramatic event. The first two types tend to degrade or alter any knowledge taught to them by a ‘playful Luciferian’; in other words, if the ‘playful Luciferian’ teaches knowledge to a ‘playful’ or
a sacralising one, they will end up dismantling it, much like the allegory of the tiger and Lord Aberro mentioned in the Fundamentals. That is why it is important to recognise that the best way to keep this path of liberation functioning is for the viryas to approach things with honour, respecting what is being transmitted to them. This involves shedding the playful and sacralising masks of the personality as part of their spiritual orientation towards the absolute, in order to avoid becoming a fanatic, turning into a priest, or believing themselves to be something they are not due to a lack of will. We are warriors, not judges; we hope this helps both new and old comrades. Out of the honour we hold, we respect our comrades from
OCTRA who are, and were, part of Felipe’s strategy.

We envisage several probable futures for Hyperborean Wisdom: should it lose its mysticism and metaphysical dimension, it would become incapable of liberating the viryas; one possibility is that it would become a religion in the hands of fanatical, sacralising viryas who would degrade it, as happened with Wotanism, which suffered a decline, or as with ancient Gnosticism; a second possibility is that attempts would be made to exploit it commercially in any way possible to derive some financial gain from the works and techniques which, as we have rightly maintained, have been kept secret, as mentioned previously; one Luciferian teaches another Luciferian with the aim of upholding honour and preventing the degradation of what has been explained previously; there are ways of determining whether awakened viryas possess a sound level of guidance or not, as well as whether they have correctly interpreted the texts. You should be aware that
there are non-public texts from OCTRA/OCTIRODAE, strategic texts and fragments from the Crystal Books which enable the virya to increase their level of orientation in order to master the Vril; for
strategic reasons, these texts are not available

on the web, but they have been studied over the last nine years alongside the techniques mentioned. Let us make this clear once more: only the Shambalans turn their courses, lectures and almic, shamanic and meditation rituals into a business; we are in a mad war and the liberation of the spirit is neither sold nor bought. We berserker viryas couldn’t care less about fame or money; one either adopts the
strategy or you abandon it, and as we have already said, the Siddhas have not remained static.

In another post, we will provide a summary of OCTIRODAE–OCTRA, as well as some of its secret operations over the last 10 years against the enemy; this will be done because it is now strategically necessary.
One final likely scenario is that Hyperborean wisdom will become some sort of sect with fanatical deviations involving madness, drugs and possibly even sexual perversion, comprising people with a
who are captivated by the MYTH of the Führer. We wish to clarify once again that we are not Samael Shambhala Gnostics who seek to utilise the ‘wet path’, also known as sexual tantra;
as the fundamentals clearly explain the risks of these paths and why Western viryas are not prepared for them. For this reason, the Siddhas propose the techniques mentioned above.

Finally, the level of spiritual development of a virya—even if all this is pure illusion/maya—is measured by their ability to manage the aforementioned matters through their absolute will. We know that the enemy of the spirit shows no mercy, but we are in a battle and must be relentless against them.

Will, Courage, Victory and Vril.

OCTIRODAE/OCTRA Message – CORONAVIRUS

Dear comrades,

As already mentioned in the last text published on the fifth Sunday, KETER/KETHER—the crown of the Demiurge's creation—I offer the following elaboration.

KETER/KETHER, the CONSCIOUSNESS/POWER aspect of the Demiurge; in the first instance, HIS BEING IN ITSELF; its meaning as a concept is that of 'CROWN'; it would be the CROWN of the Demiurge, since all entities were designated and the emanation of the DEMIURGE's MONADS from his CROWN/KETER, within the design of the current MANU, this SACRIFICIAL plan involving RIVERS OF BLOOD was already in place in the event of any contingency that might threaten his evolutionary plan and the Kalachakra plan of the traitorous Siddhas; the chaos in the SPHERE of MACROCOSMIC LIGHT prior to the emergence of the CORONAVIRUS was the consequence of the PRESENT INFINITE affecting CREATION and the DEMIURGE's evolutionary plan, this ALTERATION is GENERATED by the AWAKENED Viryas who have INCREASED their ORIENTATION towards the SELF in their DIFFERENT PSYCHOREGIONS and SOME
activities within the VITAL SPACE carried out in SECRET within the VALPLADS, PHYSICAL
RUNIC JOURNEYS, as well as the awakening of many new Viryas; we had already discussed this with several comrades from OCTRA/OCTIRODAE that the external CULTURE was giving us indications that SOMETHING or certain INFINITE POLES were affecting the EVOLUTIONARY PLAN and that the DEMIURGE was ABOUT TO MANIFEST HIMSELF to CORRECT the course of his PLAN, as already MENTIONED in the previous COMMUNIQUÉ; this is what is HAPPENING, but it goes BEYOND that, and we must remain ALERT, with the EYE of FIRE and ALL THE ARCHEMONIC TECHNIQUES already KNOWN to MANY.

The very ESSENCE of the CORONAVIRUS, its PURPOSE and OVERARCHING PURPOSE, conceals several ARCHETYPICAL mysteries which will be mentioned below; the DESIGN of the VIRUS, and SPECIFICALLY OF THIS 'CORONAVIRUS', in its OUTER LAYER forms a CROWN OF THORNS known as the
CROWN OF CHRIST, which contains a KEY; and there EXISTS a very OBLIQUE RELATIONSHIP between the Kalachakra KEY and the KEY of the VIRUS, WHICH is ATTACHED via RNA LINKAGES to the CELLULAR DESIGN of the MICROCOSM.

We know that JESUS CHRIST is the DEMIURGE, and all HIS MYTHS, which are upheld within the OUTER LABYRINTH of the world's CHRISTIAN RELIGIONS of the KALACHAKRA, SPEAK OF THIS CROWN 'KETER' which REPRESENTS the SIGN of PAIN that is present in ALL CREATION and ALL THE DESIGNS OF BEINGS.

THE PAIN that JESUS CHRIST FELT WHEN HE WAS CRUCIFIED ON THE CROSS with his CROWN OF THORNS conceals the TRUTH of the SIGN of PAIN embodied in all CREATION.

The awakened virya is CAPABLE of using their capacity for anamnesis to SEE this oblique TRUTH. They EXPLAIN the CONNECTIONS OF MEANING and the LINKS BETWEEN OCR (Cultural Reference Object) and OCE (

Emerging Cultural Object) of this TERRIBLE RECORD, as well as the UPCOMING OCR and OCE that will be EMPOWERED and ENTHRONED in the MACROCOSMIC SPHERE OF LIGHT by the DEMIURGE. This terrible RE-ADJUSTMENT PLAN began four years ago when the ARCH OF BAAL—intentionally destroyed in Syria in 2015 by ISIS—was successfully RECONSTRUCTED. There is much CONFUSION regarding this ARCH, also known as the Arch of Victory of the ROMAN EMPIRE, located in the archaeological site of PALMYRA in SYRIA. The ONTIC matrices—the VERY ESSENCE of the ARCH—since its CONSTRUCTION by the SEMITIC RACES , contain the CAPACITY to ENTHRONEMENT or OPEN A DIRECT PATH for the GOD BAAL, the GOD BAAL who would come to BE the DEMIURGE JEHOVAH-SATAN. The terrible aspect of this TRUTH is that the OCR 'ARCH OF BAL' would grant the DEMIURGE the ABILITY to INSTANTLY ACCELERATE and MODIFY his CREATION; the OCE would become the statue of the god Bal-Moloch.

There is a PROPHECY within the sacred race of the DEMIURGE which states that when the ARCH is rebuilt for the THIRD time, the Messiah of the Hebrew race—or the sacred race of the Demiurge—will MANIFEST or ARRIVE.

This is why the ARK was intentionally destroyed in 2015 to hasten that PROPHECY, as this would be the THIRD time the ARK has been rebuilt.

After BEING DESTROYED, it was RE-BUILT under the joint administration of SYRIA and RUSSIA. But the problem does not end there: in SEVERAL PSYCHOREGIONS, from 2016 to the present day, several identical REPLICAS have been BUILT, such as in NEW YORK, LONDON, VALENCIA(ITALY); meanwhile, the ORIGINAL REPLICA of the ARCH has been MOVED and ERECTED in certain PSYCHOREGIONS as PART of an EXHIBITION in which SEVERAL SYNARCHIC AGENDAS were FULFILLED, this HIDDEN FRAMEWORK was INTENDED to CREATE a PASSAGE for the ritual sacrifice and the LEGIA that is currently taking place, and the OVERARCHING PURPOSE was for the lost pasues and viryas to view it as merely an ARCHAEOLOGICAL EXHIBITION.

The OCR, which would turn out to be the ARCH OF BAAL, has already been mentioned; we will now explain the OCE, which was the final PHASE of this TERRIBLE PLAN for ritual sacrifice. It was already MENTIONED in the WRITING published on QUINTADOMINICA that the virus was released by the Sinarch organisations, just as the aspects of VAMPIRISM and the BAT were EXPLAINED; in late 2015, the RT news programme ran a story stating that a deadly virus could be transmitted from BATS to HUMANS. To CARRY OUT this TERRIBLE PLAN, on 27 September 2019, the OCE (Emerging Cultural Object) was SET UP or ANCHORED, WHICH IS the KNOWN AS the statue of MOLOCH–BAAL. This CULTURAL DISGUISE INVISIBLE to the LOST VIRYA but VISIBLE to the AWAKENED VIRYA, TOOK PLACE at the CURRENT ARCHAEOLOGICAL EXHIBITION called CARTHAGE: THE IMMORTAL MYTH; THIS EXHIBITION IS HOSTED at the SUPER AXIOLOGICAL OBJECT KNOWN AS THE ROMAN COLOSSEUM. It BEGAN on 27 September 2019 and ENDS on 29 March 2020, EXACTLY three days AFTER THIS TEXT IS PUBLISHED, if indeed this were ever to ACTUALLY HAPPEN, given that ALL OF ITALY IS CURRENTLY UNDER SIEGE. We must remember the saying that 'All roads lead to ROME'; the SUPER AXILOGICAL OBJECT, THE ROMAN COLOSSEUM, contains within its AXIAL CORE these CONNECTIONS OF MEANING, AS WELL AS TROPHIC-ASTRAL CONNECTIONS to DIFFERENT PSYCHOREGIONS that MAY AFFECT THE SLEEPING OR AWAKE VIRYAS POSITIVELY, TO SET THEMSELVES FREE, OR NEGATIVELY, TO

enslave themselves or be sacrificed. ROME, as a people bound by the blood pact of the loyal siddhas was always the enemy of CARTHAGE, the people of the cultural pact of the traitorous Siddhas; ROME maintained the ATLANTIS–MEDITERRANEAN wall for 1,000 years as a strategy of liberation.

THROUGH this STATUE of Moloch–Baal, the archetypal RITUAL SACRIFICE was GENERATED, PROJECTING the EYE of YOD, the INDISCERNABLE Points of the GRAVIS atoms, as has already been AS I MENTIONED IN THE PREVIOUS WRITING, the STATUE AT THE CENTRE of the chest features a DEPICTION OF THE SOLAR LOGOS and the EYE OF YOD, whilst the WINGED PHYSICAL FORM REPRESENTS THE VAMPIRIC FORM of the BAT; this PRIMITIVE VAMPIRISM represents the demiurge Jehovah-Satan or YHWH Sebaoth; we must remember that Moloch-Baal also represents Saturn or Cronus. As you can see, comrades, from its Eye of Fire and its capacity for Anamnesia, we are facing the GREATEST BLACK MAGIC ever unleashed: the LEGIA of the Hyperborean Lineages. It is the beginning of the Legion's Holocaust of Fire, as the microcosms of thousands of lost viryas—victims of this vampirism—are being cremated. We recommend delving deeper into the Mystery of Belicena Villca, which mentions Baal.

Delving deeper into the OCE that this statue represents, we may ADD that in the PAST it was used to SACRIFICE infants by means of FIRE in the BRONZE FURNACE in its CHEST; the purest blood for the demiurge of that era. The statue was worshipped by the Phoenicians and the Canaanites; ANOTHER OBVIOUS TRUTH, obscured by the current CONCEALMENT, is that in the COLOSSEUM around 110 AD, THOUSANDS of Christians were sacrificed for a PAGAN CULT, when in reality, when IMPERIAL ROME FELL and the synarchy took over, they annihilated thousands of AWAKENED VIRYAS of that ERA, a RITUAL SACRIFICE similar to the PRESENT-DAY one. It must be UNDERSTOOD that thousands of Viryas lost within the PLANETARY SUPERSTRUCTURE carry Hyperborean and European heritage in their biological blood, and many originate from ancient ROME; it is THROUGH this genetic CONFIGURATION that they are carrying out this ATTACK/SACRIFICE.

But HOW will this affect the REST of the COUNTRIES of the world, and WHY do some COUNTRIES suffer more than OTHERS? The PSYCHOREGIONS that possess the ARCH or ONCE POSSESSED it will be the most affected; that is why ITALY, the UNITED STATES and ENGLAND will be the hardest hit, due to the ENTELEGEIAS in NEW YORK aimed at BLOCK and MODIFY CREATION; the Traitorous Siddhas need to prevent CREATION from coming to an end. They are utilising EVERYTHING ARCHETYPAL that has any LINK or RELATIONSHIP with the ARCH or with ANY SHIFT in the MACROSTRUCTURE of the entire PLANET. Any ARCHETYPE that ultimately is projected onto the macrocosmic SPHERE OF LIGHT as an ENTITY or EGREGORE will be used for THIS PURPOSE; we shall MENTION FIVE EVENTS/RECORDS related to THIS. In Spain, cases skyrocketed due to two ARCHETYPICAL deployments; the first was the 'CARNIVAL' EGREGORE (Flesh to Baal) in Melilla (OCE) in 2015, which cemented the link with the OCR (Osborne's Bull), which had been brought to Spain years EARLIER with the aim of preparing for the current ritual sacrifice; this, in turn, has a MEANINGFUL CONNECTION to a PREVIOUS EVENT called 'Put a Cow in Your Life', which also took place in Melilla. THIS WOULD BE THE THIRD RECORD, given that we already KNOW the mystery of the RED COW to be sacrificed, which is the blood of the Viryas.

It is IMPORTANT to know why Melilla plays a significant role in this UNFOLDING of the blood sacrifice; Melilla, as a SHADOW SPHERE of Spain, conceals a significant displacement of the demiurge's sacred race (ARSEPE), which would turn out to be the DEMIURGE himself positioned in that PLACE, in that PSYCHOREGION; the AWAKENED VIRYA can delve deeper into this by EXPLORING the RECORD of MELILLA'S HISTORY.

We have two further events in Spain that would generate egregores connected to Wuhan and to the ARCO; these would generate a PSYCHIC RE-ABSORPTION of THE LOST VIRYAS, introducing them into this PLANETARY DRAMA of the VIRUS, thereby increasing the POWER of the CURRENT RITUAL SACRIFICE.

The fourth EVENT was the EGREGORE known as the ARCO Fair, held in Madrid from 26 February to 1 March 2020; it has an extremely OBLIQUE LINK–RELATIONSHIP with the ARCH of BAAL, it must be remembered that the SEMANTICS and SEMIOTICS of HUMAN LANGUAGES are DIRECTLY CONNECTED TO UNIVERSAL ARCHETYPES, and SOUNDS CONTAIN ACOUSTIC KABBALAH which
are linked to TIPHERET and its ACOUSTIC–LUMINESCENT TRAPS.

What is interesting about THIS EGREGORE is that there was A SMALL, UNCONSCIOUS HYPERBOREAN OPPOSITION linked to Francisco Franco called 'Franco wasn't that bad', led by Virya Despierto, which unleashed a
COMPREHENSIVE STRATEGY against the SYNARCHY in SPAIN.

The fifth EVENT is the EGREGORE that has a MEANINGFUL CONNECTION with Wuhan, the site of the coronavirus OUTBREAK; a TROPHIC–ASTRAL LINK is the PHOTOGRAPHIC EXHIBITION in Madrid at The Showroom, the exhibition space of the Lens School of Visual Arts; this exhibition by the photographer Mike Jorquera IS dedicated to Wuhan; what is interesting to explore about this EXHIBITION is that it was PLANNED BEFORE the outbreak of the virus in Wuhan. The exhibition began in February and ended on 4 March; there is an intriguing mystery in the ONTIC RECORDS of the photographer's design. His surname is JORGUERA, which derives from the Latin HOGUERUS, meaning the BONFIRE that kindles the CAULDRON, the awakened VIRYA can see, through their capacity for anamnesis, what the words 'BONFIRE' and 'BOILER' signify, as well as the OBLIQUITY of these words in relation to the CURRENT blood sacrifice of thousands of lost Viryas.

We may ADD to the EXPLANATION thus far that we now know why the ROMAN EMPIRE occupied the city of Palmyra—as a victory so that this ARCH, which is directly CONNECTED to the Demiurge and Shamballa, might once again fall into the hands of the enemies of the peoples of the blood pact. Now we EMERGE into the SPHERE of LIGHT with this truth regarding another of the OBJECTS we were previously unaware of: that the peoples of the blood pact have BLOCKED the traitorous Siddhas and the peoples of the cultural pact. We were already aware of one such object, which opposes the GOLDEN RUNE of the peoples of the blood pact.

The Kalachakra key is being EXPLOITED to its FULLEST POTENTIAL for the purpose for which it was DESIGNED by the traitorous siddhas; we shall explain THREE CONNECTIONS of meaning that are being utilised in this CRUCIFIXION of HUMANITY. The first CONNECTION is the existence of the KALACHAKRA key in the VATICAN; in the aerial view of the Sistine Chapel and St Peter's Square, this representation of the
Kalachakra key—which is already known to many viryas who study Hyperborean Wisdom—is

in Italy, which, as a PSYCHOREGION, has the TOPOLOGICAL shape of a FOOT or a BOOT. The second connection of the Kalachakra key within the MICROCOSM; the third connection is the CROWN/KETER of the Demiurge.

The Kalachakra key on the Earth's surface, located in the Vatican as part of the Kalachakra OUTER LABYRINTH, is directly connected to Chang Shamballa; in turn, this EARTHLY KEY on Earth at the Vatican can directly influence the TIPHERET SIGN on the Kalachakra key in the MICROCOSM; we know that the Kalachakra key is composed of THREE PARTS, as explained in the fundamentals of HYPERBOREAN WISDOM and EXPANDED upon in the Crystal Books of Agartha; these THREE PARTS are the HANDLE, THE SHAFT and the LATCH. The CRUCIFIXION of the Lost Viryas and of Pasu society IS BEING CARRIED OUT in the following MANNER: the PALETON has a TRIUNIVOCAL relationship with the Achilles' Heel in the MICROCOSMOS, the FOOT- or BOOT-shaped PSYCHOREGION of ITALY, and the MYTH of the CRUCIFIXION OF CHRIST, in which he is NAILED by the feet to the cross. Currently, the GEOPOCENTRIC RAYS of the TERRESTRIAL LOGOS (SANAT KUMARA) bind the VIRYAS to the TERRESTRIAL surface, to the PSYCHOREGION of ITALY, due to ITS RIGHT-ANGLE SHAPE; the Kalachakra key in that PLACE and to the MYTH of JESUS CHRIST through the RIGHT ANGLE of the ACHILLES' HEEL, which corresponds to the KALACHAKRA in the MICROCOSM, heels through which the GEOPOCENTRIC RAYS ENTER before ASCENDING to the MULADHARA CHAKRA and the EGG of AKASHA—a subject explained at length in the Fundamentals of Hyperborean Wisdom; these are the shackles that bind the VIRYAS to the Earth's surface as part of their bondage to the SIGN OF PAIN.

The SHAFT of the Kalachakra key has a BIUNIVOCAL relationship between the trunk of the MICROCOSM—where the ARMS and HANDS are found—and the MYTH of JESUS CHRIST, who was nailed by the hands to the CROSS; at present, the VIRYAS are CONSTANTLY under attack because they are UNABLE to use them PROPERLY due to the constant BOMBARDMENT of the VIRUS and HAND SANITISING; the SIGN OF PAIN, with its WEAPON which is FEAR, HAS TIED THE lost Viryas by their HANDS and FEET, CONFINED and unable to MOVE; however, for the Awakened Virya or the Berserker Virya, this is an opportunity to uphold their INNER/OUTER ARCHEMONA;

THE SHAFT (FEET) and part of the TANG (HANDS) of the Kalachakra key within the MICROCOSM are TWO of the THREE ELEMENTS that crucify the Lost Viryas.

The third element of this CRUCIFIXION is the HANDLE of the KEY, which CONTAINS the most TERRIBLE part of this blood sacrifice; this is the first time a TETRA-UNIVOIC (4) relationship will be explained within a concept of Hyperborean Wisdom.

This relationship is between KETHER (KETER), the CROWN of the demiurge; the HANDLE in the Microcosm; the MYTH of the Crown of Christ; and the CROWN of Christ as conceived by the Virus. This OBLIQUITY will be explained in the simplest possible way. In the MICROCOSM, the upper part of the human body—the three upper chakras, Vishuddha, Ajna and Sahasrara, as well as all its organs—correspond to the ASA of the Kalachakra in the microcosm. The lost or awakened virya, being directly connected to Shamballa via the Sahasrara Chakra or CROWN Chakra, is DIRECTLY CONNECTED to KETHER, the CROWN of the Demiurge through this RELATIONSHIP. This means that the lost or awakened virya, when using the senses—

primarily SIGHT and HEARING, is connected to this ARCHETYPAL Virus through the OUTER WORLD, the outer Kalachakra labyrinth, which is INTRODUCED through the Mouth (Ajna CHAKRA) and whose CROWN, contained within its design, anchors itself to the cells of the MICROCOSM, as already explained at the BEGINNING of this text. The immune system of the MICROCOSMOS can be MANIPULATED by the WILL of the awakened Viryas or Berserker Viryas if they UTILISE Strategic OPPOSITION.

A VIRYA with LOW WILLPOWER tends to be sickly because they are OVERPOWERED by FEAR, and FEAR weakens the IMMUNE SYSTEM.

The awakened viryas in this historical MOMENT must BE WILL OF FIRE; it is important to realise that when the Awakened Virya possesses WILL, they can cease to be a this HISTORICAL DRAMA of the CORONAVIRUS, but this is not ENOUGH, as the VIRYA requires other ARCHEMONIC techniques that form part of NOOLOGICAL PONTONICS and Strategic Opposition, such as RUNIC MEDITATION as explained in the Crystal Books, where the four higher chakras are RE-ASSIGNED(REMOVING the DEMIURGIC DESIGN) through the use of CERTAIN RUNES to bring about this permanent disconnection of the CORONA CHAKRA and the OTHER UPPER CHAKRAS of the ASA and the TIJA.

The CRUCIFIXION of humanity's lost viryas is brought about through the ASA, represented by the tretra-univocal relationships already explained.

Dear comrades, these are DIFFICULT times and we must JOIN FORCES; WE ARE THE LAST RESISTANCE—THERE IS NO ONE ELSE LEFT—since we shall reach the CONCLUSION that was written at the BEGINNING of this TEXT concerning the OCE and OCR, which will be POTENTIATED within the SPHERE OF MACROCOSMIC LIGHT. The OCR (KETHER) requires the NECESSARY ENERGY to EMERGE into the MACROCOSMIC SPHERE OF LIGHT to the OCE (MALKUTH); this can only be achieved through a CRUCIFIXION/LEGIA of the Lost Viryas of HUMANITY ITSELF. This TERRIBLE TRUTH can be put into SIMPLER WORDS: MALKUTH is the ESTABLISHMENT of the KINGDOM of the DEMIURGE, the REALISATION of his WORLD GOVERNMENT of the Synarchy through the Messiah—the Messiah of the Sacred Race—whom they SEEK TO ENTHRONEMENT in the new QUIBLON.

We have been OBSERVING these movements in the MACROCOSMIC SPHERE OF LIGHT and SUSPECT that THIS PERSON, who is to ENTHRONEMENT the Demiurge as the MESIAH (Priestly Messiah), is the son-in-law of the current President of the United States of America. We have observed strange developments such as the acquisition of buildings in New York bearing the number 666; they seek to force the Christian apocalypse and deceive all the lost viryas. Another thing we have discovered is that numerologically, the word 'CORONA' consists of 6 letters, and adding up the numbers within the Spanish alphabet gives 66, which adds up to 666—the number of the Pasu, the beast-man. As you can see, they are employing the blackest magical rituals, prepared over a long period of time;
France, too, has been hit by the coronavirus, and in Lyon we know there are many Druids and Golen who are part of this RITUAL SACRIFICE, which is also mentioned in the Belicena. There are ancient tales about the famous 'Mutheman', known as the moth-man, who appears when there are tragedies or RITUAL SACRIFICES; this was the basis for the depiction of Moloch in the ancient statue previously

mentioned earlier; this being represents the CONFRONTATION between the lost virya and the MYTHICAL VAMPIRE-LIKE BEING of MOLOCH. In another text, the ARCHEMONIC TECHNIQUES to be
USED by the Awakened Viryas.

Finally, we must observe the path of the Kaly Yuga, for above the 22nd parallel the sacrifice is being carried out, and this coincides with the 22 bijas of the Hebrew Kabbalah; after 21 March, the energy will shift to the Southern Cone.

WILL, COURAGE, VICTORY and VRIL. OCTIRODAE

THE DARK SIDE OF KIRCHNERISM AND THE OBVIOUS PLOT TO ESTABLISH THE NEW JERUSALEM IN ARGENTINE AND CHILEAN PATAGONIA.

In this first text, we analyse and explore the sinister plan currently taking shape over the Argentine and Chilean nations; subsequently, in the second part, we shall examine the plan that will befall the Americas should the assertions made in this text be confirmed, should the sinister forces triumph and their accursed will extend over all the nations of the Americas.

Part One.

A few months ago, the Senate debated the attack on the AMIA. Let us recall:

The AMIA bombing was a **car-bomb** attack carried out against the **Argentine Israeli Mutual Association** (AMIA) in 1994.

Allegedly, resulting in 85 deaths, this attack was orchestrated by **Hezbollah** with the support of the Iranian government. However, so as not to dwell at length on this subject—the truth of which is known to the awakened virya—we shall summarise. This 'truth', at its very core, smacks of Jewish planning, and forms part of the most sinister plans driven by International Zionism (the political wing) and the Sanhedrin (the fundamentalist religious wing)—both subordinate to the Golen Levite priests (the sole Kabbalistic faction that knows the 'esoteric' plan that the One has for the people of Israel)—for ARGENTINA. This project is set out in the much-discussed ANDINIA PLAN, the aim of which is to establish the state of ISRAEL on Argentine territory.

Indeed, there are currently major conflicts in the Middle East: the civil war in SYRIA (**THE AXIAL CORE OF THIS ACTUAL WAR SYSTEM**), PALESTINE, IRAN, etc.

A consequence of this, and a continuation of historical trends, are the preceding revolutions (orchestrated by Zionism and its henchmen) that erupted rapidly following the fall of the presidents of Egypt and Libya, and now have Syria's leader in check; the threat to Iran also remains very much alive. The conflict with the Islamic world in this decade (which has been ongoing for millennia) began with the fall of the Twin Towers (2001, Islamic terrorism: Hezbollah) and paved the way for US intervention and international Zionism throughout the Middle East.

THE GOLEN PRIESTS OF THE CULTURAL PACT and their strategic allies, the **PEOPLES OF THE WHITE RACES ALLIED TO THE CULTURAL PACT,** are complicit
in the eternal **WHITE BETRAYAL**: the United States, Great Britain and France (and the countries subjugated to them following their defeat in the Second World War: Germany and Italy, members of NATO) have intervened in the Middle East in recent years—to 'pacify' the region?

Quite the contrary: they have accelerated the FINAL DESTINY of the STATE OF ISRAEL.

Of course, the 'Virya' will wonder how the United States defends the State of ISRAEL – and indeed it does – but this is for the 'lost Virya', since the AWAKENED VIRYA understands the ulterior motives and overarching aims pursued by International Zionism and its religious fundamentalist wing, represented by the Golem Kabbalists of the Hebrew Sanhedrin; they have always known—and this is the great hidden truth—that the mission of the Hebrew people will not fulfil its plan for world domination until the State of ISRAEL is established in ARGENTINA.

What is the plan of the Golen Priests to carry out this project?

Well, before continuing, it is imperative to recognise the differences between the **Plan of the DEMIURGE**: **Jehovah Satan** and his **CHOSEN PEOPLE**, the **Hebrew race**, and the

Plan of the TRAITOROUS SIDDHAS OF CHANG SHAMBALA and the **RACES OF WHITE BETRAYAL**.

As always, the **DEMIURGE** has, from the very beginning of history, had a clearly defined **Plan** to lead his chosen people to rule the destinies of the world, to raise the Hebrew race to the pinnacle of world power; the reason for this is the tactic of constantly creating **DIASPORA communities** of his chosen race. This **DIASPORA** archetype is a recurring feature of the Hebrew people; analogous to **DIASPORA** are the great **EMIGRATIONS** of various races, but the purpose or ultimate objective is entirely different. A **RACIAL EMIGRATION** is the result of a people's displacement driven by the need to conquer better lands, to seek better climates, and so on. A **DIASPORA**, on the other hand, is characterised by being **HEBREW**, and its purpose forms part of the DEMIURGE's plan for his chosen people—a **MISSION** understood by the fundamentalist Kabbalists of the Sanhedrin; that is to say, they are the architects of the permanent exodus of the Hebrew people. Such **a THEOLOGICAL PLAN** aims to disperse the Jews across the entire planet Earth. This divine theological purpose of the Demiurge was historically justified by accusing the **PEOPLES OF THE BLOOD COVENANT** of being, in a certain sense, the cause of this **HEBREW DESIGN**; to this end, they put forward various accusations, for example, arguing that they were displaced and forced to undertake these **DIASPORA** due to continuous religious persecution, etc. From the Babylonians to the Romans, and even European monarchies such as those of Spain, France and England, the Jews were persecuted; in many cases, they were expelled from their territories. The Hebrews assert that these nations, being 'anti-Semitic' and harbouring an ancestral hatred towards the Hebrew people, were the cause of **the EXODUS** or the DIASPORA, and of the continuous displacements of Judaism. In truth, the DIASPORA is a **UNIVERSAL HEBREW ARCHETYPE**, something that runs in their blood; it is their raison d'être as the race of the ONE. The DIASPORA is part of a **THEOLOGICAL MISSION** borne by the Hebrew 'people', which has a twofold purpose: the first: TO MIX with the WHITE RACES, to assimilate biologically and culturally with them, since it is through them that the Hebrew race aspires to ascend to the **POWER OF WORLD DOMINATION**. The second reason**—**and the most kabbalistic and esoteric one**—**is that the Hebrew race is an indissoluble part of **the A.R.S.E.P.E**. (according to Hyperborean Wisdom: **Sacred Race Aspect in Extensive Presence**); the Hebrew race, being the chosen people of **Jehovah Satan**, it constitutes the **EYES** of **JEHOVAH** himself; and its distribution across the entire globe serves the teleological overarching purpose of **OBSERVING**, through the chosen people, how his PLAN evolves, and how the macrostructures represented by the various **EXTERNAL CULTURES—**which are part of other races such as the Negroid, Yellow, Copper-skinned, etc.—shift. However, the overarching purpose of that all-seeing **EYE of ISRAEL** is specifically **to MONITOR** the external cultures of the **WHITE RACE**, and we emphatically state that it is to **OBSERVE** the **WHITE RACE**, since this RACE of the **HUMAN SPECIES** is the **ONLY one** that possesses **SPIRIT** in all its extreme ontological forms, from the purest Aryan lineages right through to the numerous intermixings it has undergone; and whilst this has led to the 'loss' of its original purity, the **LINEAGES INHERITING FROM THE DIVINE HYPERBOREANS** still remain **ALIVE** within it.

We must therefore distinguish this archetype—which corresponds to the **GREAT HEBREW DIASPORA,** which forms part of **the DEMIURGE'S PLAN**—from its archetypal counterpart, the great **RACIAL EMIGRATIONS**, which partly correspond to the **HYPERBOREAN strategies of the SIDDHAS OF AGARTHA** or to the **synarchic strategies** implemented by the **SIDDHAS OF CHANG SHAMBALA**. These three **RACIAL DISPLACEMENTS** will be duly addressed in the second part of this text.

THE PURPOSE OF THIS UPCOMING DIASPORA OVER ARGENTINA AND, TO A LARGE EXTENT, OVER THE WHOLE OF THE AMERICAS.

However, on this occasion, the overarching purpose of this **HEBREW DIASPORA—**whose strategic objective is **ARGENTINE** AND **CHILEAN PATAGONIA—**differs from previous instances, where the **12 tribes of Israel,** who were scattered throughout the known world (in reality, they entered the **ROMAN EMPIRE** to corrode it with their Hebrew virus, which brought about the fall of **the Empire of the Caesars**, a subject covered in the 'Crystal Books': **Imperial Rome** and the **Blood of the Turdes**).

This **DIASPORA** has another purpose: **to bring the Hebrews into ARGENTINE territory so that they may fulfil their ultimate 'destiny**'.

Furthermore, to uncover this hidden agenda and its motive, and to ensure that this **DIASPORA** comes to fruition, it is necessary to instigate a **WAR IN THE MIDDLE EAST**.

This plan is already in motion, and to bring about this military conflict—which is already partly a reality and which aims to create a mass **DIASPORA** of the people of **ISRAEL** to **ARGENTINA**— they have created a **REAL ARTIFICIAL WAR SYSTEM** that has **existed** for millennia; yet it is impossible for the lost Virya to SEE the truth of that 'hidden' history—a truth we shall reveal at length in this text—and only the **TIRODAL KNIGHT** can **UNDERSTAND** it, as that history is built upon a **colossal war-based lie established in the MIDDLE EAST**; yet to arrive at this truth, a new **REAL ARTIFICIAL WAR SYSTEM** or **ETHNIC-RELIGIOUS SYSTEM** must be established upon certain existing systems, regardless of what the **INTERNATIONAL SYNARCHY** and universal culture assert as the reality of these historical events.

To this end, it must involve two actors: one **'REFERENT'** and the other **'EMERGING**'—historical axiological contexts that have been in constant conflict since the dawn of history, specifically since the Middle Ages. This religious and cultural phenomenon has been present within the **Macrocosmic Cultural Superstructure** or **Sphere of Light of the World** for hundreds of years and sustains an endless conflict between the two **GREAT religions**: **JUDAISM** and **ISLAM**.

Establishing an **Artificial Real System** between these two great monotheistic religious factions will lead us to understand how a **SINISTER PLAN ORCHESTRATED BY THE DEMIURGE** was set in motion, and subsequently, as we explore its invisible cultural records, we shall see how it varied and evolved historically until it came to involve **CHRISTIANITY** and the **RACES OF WHITE BETRAYAL**—that is to say, the **SIDDHAS OF CHANG SAHAMABLÁ** and, of course, our **ETERNAL GODS, THE SIDDHAS OF AGARTHA**.

This war is portrayed 'visibly' as a conflict between two sides that, to a certain extent, share the same race and blood; in reality, they are blood brothers: **SEMITES**. They share the same religious origin—**MONOTHEISM—and the struggle between these two religious principles, which are opposed in their mysticism and doctrine, has spilled over into various spheres of cultural, political, social, economic and territorial significance**, **etc**.

Thus, **JUDAISM** and **ISLAM** (with a third party in the conflict, **CHRISTIANITY**, **allied with JUDAISM**)—which present themselves as bitter enemies, harbouring mutual hatred and having bled each other dry in wars for hundreds of years—yet, strictly speaking, this **axiological antagonism** stems from a vast **REAL SYSTEM CREATED BY THE DEMIURGE** AND **THE TRAITOROUS SIDDHAS**.

How does this artificial real system function, composed of cultural macrostructures that appear to diverge because they are situated in such opposing axiological contexts, in such different spaces of meaning?

To explore this truth in greater depth, we shall briefly outline some fundamental concepts or principles of Hyperborean Wisdom: in every object or entity, its structure consists of two parts: one **emerging** from the **TRIFORM FUNCTION OF THE SPHERE OF LIGHT OF THE CONSCIOUS SUBJECT,** and the other sustaining this through the **ONTIC QUADRANGULARITY OF THE SPHERE OF SHADOW OF THE ANIMIC SUBJECT**.

Within the **SPHERE OF SHADOW** lies the **ESSENTIAL MATRIX** (**Spiral Design**), whilst within the **SPHERE OF LIGHT** the **FUNCTIONAL MATRICES** (**Serpent Design**) contained within the **ESSENTIAL MATRIX** manifest and actualise themselves in a progressive, cardinal order.

The **Essential Matrix** contains the entire **Plan of the Design**, yet one can only observe how a natural entity or a cultural object develops or is constructed through the actualisation of the functional matrices, each of which actualises an aspect of **the 'being in** itself' and **'being for** humankind' of the Design.

The virya perceives entities in the **Sphere of Macrocosmic Light** through their **Functional Matrices**, which actualise the **Plan of the Entity** through the **Serpent Design**; through the **Ontic Forms** that determine the **Being of the Entity**—the particular—which is gradually revealed, its **Plan** manifesting itself to **the Conscious Subject** through its **Functional Matrices**; through them we perceive the **Morphological Structure of the Entity** and know what that particular entity signifies; we can distinguish it from other entities in the world.

We know that beyond the design, beyond **the** 'being-in-itself' of the universal—which affirms the **Entity** or the **Being** within the **SPECIES**—the **Unfolding of the Functional Matrices** allows us to perceive the particular, the **Entity's** 'being-for-man'; in this particular case, it enables us to distinguish the **human SPECIES** and its various **ETHNIC GROUPS within the HUMAN GENUS**.

Well, it is through the particular that we distinguish the racial differences existing amongst the various species; we thus understand that **the RACIAL dimension is the origin of the ongoing conflict**, for example, between **the EAST** and **the WEST**. However, this subject is already well known to **Sir Tirodal**, and he knows this because he understands that, from the **BEGINNING OF HISTORY**, it is not the **HUMAN** that is the **ROOT** of the many WARS, it is not **'being in** itself' that is universal; rather, it is **'being for** man'—that is, the RACIAL aspect—which is the origin of the many differences between the races, the cause of 'cultural' and, fundamentally, SPIRITUAL divergences. Ultimately, the PLAN—which forms part of each particular RACE—is built upon the SPIRITUAL, and indeed the SPIRIT of the races gives rise to different external cultures, ways of thinking and feeling, of living and dying; differences which are spiritually abysmal in many cases and, in others, quite the opposite—they are strictly 'cultural'.

Contemporary culture merely **affirms an existing real system** whose general truths affirm the **axiological context of the HUMAN GENUS with regard to the RACES**—**that is to say, the universal over the racial**—and this **aspect of DECEPTION** is **purely cultural**; therefore, from the **SHADOW SPHERE**, from the deepest depths of **'being for** man', ontic potentialities emerge which manifest in the **MACROCOSMIC SPHERE OF LIGHT** (**the threefold function of the macrocosmic sphere of light**) as cultural phenomena asserting that LOVE will save the world, that TECHNOLOGY AND SCIENCE will cure all ills, that the POWER of PEACE will put an end to all wars, and so on, and so on. It is worth noting how these aspects—WISDOM/LOVE, INTELLIGENCE/BEAUTY and POWER/CONSCIOUSNESS on the Conscious Subject—the space or AFFECTIVE, RATIONAL AND CONSCIOUS SPHERE—where the LOST SELF is CAPTURED; it is worth noting how, through these aspects present in all of HUMANITY, across all RACES regardless of skin colour, the essence of

their ontological existence, ontogeny, the 'being-in-itself' of the human individual, the 'being-for-man', and the central foundation of religious morals, civil codes, philosophical treatises, all human aspirations, of humankind, its civilisations and diverse external cultures—all of which IDEALLY affirm a world of PEACE, LOVE AND JUSTICE, where GOOD will prevail over EVIL. Meanwhile, whilst these cultural premises so often touted by the WORLD SYNARCHY and its POWERFUL IMPERIALIST STATES are 'becoming' a reality, the truth is that the world is sinking deeper into its own ruins every day, and NOTHING CHANGES; quite the opposite: that world which claims to be an EARTHLY PARADISE on planet Earth is a phantasmagorical, non-existent allegory; it is simply a fantasy inherent in that deception orchestrated WITHIN the HUMAN BEING by the CREATOR DEMIURGE, who chained the UNCREATED SPIRIT to the EGO or NOOLOGICAL BEING within a CREATED SOUL, whose
ontological foundations and designs assert, upon its Anemic Subject—its heart and brain (archetypal memory, rational, cultural and conscious Subject)—an IDEAL that is, in part, the driving force behind human existence. It is worth noting that, internally, the soul is destined for goodness and all that goodness entails; yet, paradoxically, all HUMAN EVIL apparently stems from the imposition of GOODNESS—through LOVE, BEAUTY and POWER. It is precisely by affirming this GOODNESS in humanity that all human conflicts arise: WARS, POVERTY, PAIN, IGNORANCE – everything that EXTERNALLY characterises our everyday world today. That is why we must ask ourselves: where does PAIN come from? What is the cause of WARS and FAMINES, of social INJUSTICES, and so on?

There is, of course, only one answer: from the HUMAN SOUL, from the internal struggle that asserts the GOOD OF ONE RACE AND ITS EXTERNAL CULTURE over the GOOD OF ANOTHER RACE AND EXTERNAL CULTURE; indeed, one need only observe how people KILL one another in the name of GOD, of their GODS, for the GOOD, for PEACE, and so on. Thus, whilst we may justify WARS EXTERNALLY by arguing that their causes are external, cultural factors—be they religious, political, economic or territorial—the ABSOLUTE TRUTH is that all conflict arises from REASONING or HUMAN REASON, arises when the DOGMATIC THINKING OF AN EXTERNAL CULTURE BELIEVES ITSELF TO BE CHOSEN BY GOD TO DIRECT THE DESTINY OF HUMANITY.

THE SOURCE OF THIS IDEOLOGY IS THE HEBREW RACE AND ZIONIST JUDAISM; THIS PEOPLE, TOGETHER WITH THE RACES OF 'WHITE TREACHERY' ALLIED WITH THE CULTURAL PACT, SEEK TO ENTHRONED THE PEOPLE CHOSEN BY GOD IN WORLD POWER. THEY ARE THE ONES SENT TO GOVERN THE DESTINY OF ALL HUMANITY, OF ALL RACES, AND THEIR GOD, JEHOVAH, IS THE GOD SUPERIOR TO ANY GOD OF THE OTHER RACES. THIS HEBREW GOD IS THE GOD OF DECEIT, AND THE HEBREW SOUL IS THE SOURCE OF ALL CONFLICTS, SINCE THEY HAVE BELIEVED, FROM THE BEGINNING OF HISTORY, THAT JEWISH GOOD IS THE ONLY GOOD THAT SHOULD GOVERN THE CREATED WORLD; THEREFORE, TO ACHIEVE THIS DIVINE END, THEY WILL NOT CEASE TO STIR UP CONFLICTS AND ENDLESS WARS UNTIL THEY REACH THE PEAK OF HUMAN POWER.

Such conflicts, which in many cases culminate in bloody wars such as the one currently raging in **Syria**, are exclusively ethnic in nature, even though they may appear to be caused by economic, political or religious motives, etc.

Those **'TRUTHS'** put forward by the **Cultural Synarchy**, which describe the causes of the great wars, are pseudo-truths, that is to say, great lies, since the **ABSOLUTE TRUTH** of their causes is suppressed and we see only what the Synarchy wishes us to see—in this case, one **aspect of the PLAN**, one side of **the EMERGING PHENOMENON**, the one that stands out **AXIOLOGICALLY** against the sphere of light. The **LOST VIRYA** can never comprehend the **ABSOLUTE TRUTH** of the

clash between two great religious ideologies, between two great **CONCRETE THEOLOGICAL DESIGNS**; ultimately, only one **aspect of the PHENOMENON** is perceived. If we translate this to a **REAL OBJECT**, however much one may perceive the design, the **Universality** of the **REAL** entity, it will only be fully perceived and recognised by the **Conscious Subject** when **all the functional matrices of the entity** are **revealed**, whereby it is perceived as a NATURAL ENTITY or **CULTURAL OBJECT** (cultural object of reference, conceptual meaning). To give a simple example, we only see the part of an iceberg emerging above the ocean's surface, but the greater bulk of its ice lies beneath the ocean's surface. We apply this to any natural or cultural entity: we only verify that a particular DOG belongs to the POODLE species when we see that the biological development of the DOG, and its functional matrices, coincide with the ESSENTIAL or IDEAL MATRIX, which confirms that this DOG is indeed of the POODLE breed.

Having understood this, the questions we ask ourselves are:

Who is operating behind these matrices when a historical cultural event is triggered in which two major religious or political ideologies come into conflict?

For example, **who is behind the civil war unfolding in Syria**?

Or, on a national level—for example, in this case, the very particular stance of the Kirchnerists regarding the AMIA—**who is behind these strange terrorist attacks**?

These are events **shrouded** in **a deep shadow** that can scarcely be interpreted by the Self without being tainted by the 'truths' about these terrorist acts projected upon us by the **World Synarchy**.

Of course, comrades, we AWAKENED VIRYAS understand that behind this backdrop, those who operate from the essential matrix and project a particular synarchic cultural phenomenon onto the Sphere of Light are driven by the will of the demiurge, the TRAITOROUS SIDDHAS and their golem priests, alongside their sinister powers: Zionism, Judeo-capitalism, Judeo-Marxism, Freemasonry, etc.

Now, **how is it possible that these representatives of the SIGN OF PAIN present themselves as the lords of TRUTH and JUSTICE and deceive the whole world**?

Well, comrades, through inverse potential symmetry—which means that DECEPTION is situated upon the Virya lost in **VISUAL PERCEPTION AND ITS CORRESPONDING RATIONAL UNDERSTANDING**— we know full well that **VISUAL PERCEPTION IS A MENTAL CONSTRUCT and that such INTELLECTUAL REASONING IS DETERMINED BY PREVAILING CULTURAL PREMISES**.

To better understand this phenomenon, we must realise that interpreting a cultural event of such great significance—such as the Syrian civil war or the attacks in Argentina—requires us to encompass vast realms of understanding, given the complexity inherent in these phenomena themselves as cultural and political events of such far-reaching importance for a section of humanity; events such as those in SYRIA trigger a **SPIRAL OF CONTINUOUS WARS** that only reinforce the **SIGN OF PAIN**.

Bloody acts of war cloaked in the guise of an apparent civil war, the cause of which (as claimed by capitalist and Zionist 'democrats') is to overthrow a **DESPOTIC** and **BLOODTHIRSTY** regime, a **TYRANNY** based on **RELIGIOUS** motives and **HOSTILE** to plans for **WORLD PEACE**.

Supposedly, the **INTERNATIONAL SYNARCHY** seeks to overthrow these regimes on the pretext of imposing **JUSTICE**, yet to uncover the **TRUTH** lying behind this

This great **LIE**, which enables us to understand these perverse **SYSTEMATIC WARS** orchestrated by **Zionism**, **Judeo-capitalism** and **Judeo-Marxism** against Islamic countries, is in itself something 'almost' impossible to comprehend from the cultural framework imposed on us by today's culture; only through the **POWER OF ANAMNESIS** possessed by **the double-initiated Hyperborean Knight Tirodal** can we explore these historical events; but to do so, it will be essential to establish **a REAL, ARTIFICIAL, EXISTING, ETHNIC, RELIGIOUS** AND
WARFARE SYSTEM regarding these existing cultural events, shaped by wars coldly planned by the **HEBREW GOLEN PRIESTS** alongside the **RACES OF WHITE BETRAYAL OF THE CULTURAL PACT**.

To understand how to explore these cultural records of warfare and to verify how the plan for a **GREAT DIASPORA** to **ARGENTINA** is slowly taking shape, we shall briefly analyse some guidelines from **Hyperborean Wisdom** regarding the **Faculty of Anamnesia**.

Hyperborean Wisdom teaches us: the vision of an **EXTERNAL REALITY** perceived through open eyes gives rise to **the discovery of a design underlying a cultural phenomenon or object**; when the eyes are closed, **the mind represents the images of the design of the observed phenomenon or entity**, which is **represented on the ontic screen of the Conscious Subject** as an **INTERNAL REALITY**.

Thus, the phenomenon that was outside—which has already passed—such as, for example, a **cultural event of a warlike nature** (the Iraq War) or simply **any cultural object**—both of which are external events—are, through **INVERSE AXIAL SYMMETRY**, reflected and represented in the **ontic immanence of the mental screen**.

Thus, **CULTURAL OBJECTS**, or in this case **WAR EVENTS**, have their **axiological, ethical** or **aesthetic contexts** recorded in accordance with the existing **axiological correspondence** within the **cultural structure**, in such a way that the **VALUE JUDGEMENT** triggered in the **Conscious Subject of the Lost Virya** or **Pasú** is determined a priori by the **Existing Cultural Premises** regarding that aspect of the observed object or the current war-related event; indeed, to JUDGE a cultural object—such as a tool (let us take the hammer so well analysed by Nimrod in the Foundations of Hyperborean Wisdom) and to express a meaning, a SIGN regarding that design, one need only understand the customary meaning of that tool according to its functional utility (relative and general value: the hammer's customary function is to drive in or embed an object—a nail, a peg, etc.), but if that HAMMER belongs to the GOD THOR, then ordinary language is no longer sufficient, as that cultural object forms part of a mythological axiological context—that is, of an oblique language; such obliquity connotes another realm of meaning and requires, for its comprehension, other faculties, namely the **Faculty of ANAMNESIA**.

From this definition of the hammer, the lost pasú or virya understands its usual function through a simple psychological comprehension based on reasoning derived from **the Rational Subject**.

Everything changes when one must interpret an emerging design concerning a historical phenomenon or event of complex magnitude (an oblique context upon which a myth and its corresponding egregore or psychoid archetype are situated); in the face of such historical events as the Iraq War or what is happening in Syria, the lost pasú or virya is left 'exposed'; their understanding (whether relative or general) is determined by the pre-eminent cultural premises structured around that historical event within its cultural framework. We know full well that the synarchic culture has brainwashed the lost viryas, and that, when it comes to history, everything that has been culturally constructed is **a LIE** or bears terrible **CULTURAL BLINDERS** that degrade or distort the **ABSOLUTE TRUTH** of universal history; thus, the Virya,

, however academic their historical training may be, ends up being confined, in their reasoning about a historical event, to the cognitive limits of their cultural subject.

Having understood these simple guidelines of **Hyperborean Wisdom**, we shall now explore the 'hidden' causes of the **GREAT HEBREW DIASPORA** that is unfolding across the southern territories **of ARGENTINA** AND **CHILE**—and, in fact, will soon encompass the whole of **AMERICA**.

To this end, we must establish a **REAL ARTIFICIAL ETHNIC-RELIGIOUS SYSTEM**, as stated previously, and we shall proceed to identify two cultural reference points, religious architectural structures par excellence: the Islamic **MOSQUE** and a Jewish **SYNAGOGUE**.

Before continuing, let us situate the lost Virya in relation to these architectural structures; we can see that it will be difficult for him to establish, between these two **TEMPLES**, a **REAL SYSTEM** that would allow him to explore **the HIDDEN TRUTHS** that constitute the invisible cultural record; in other words, for the lost Virya this is impossible; it is only possible for an **INITIATED TIRODAL KNIGHT**.

The lost Virya will only be able to comprehend their TRUTHS separately, since between these two architectural structures there exists only an axiological correspondence as religious temples—as **places of WORSHIP** for their **respective GODS**—such that the lost Virya will merely be able to appreciate relative or general values in isolation, since these **TEMPLES** belong to different religions, to opposing cultures that have, since time immemorial, been engaged in endless wars over ideological issues: political, religious, territorial, etc. Ultimately, the lost Virya will never be able to transcend the cognitive and conceptual limits imposed upon him by the **EXTERNAL CULTURE** regarding these temples and their corresponding **axiological contexts**.

To summarise, the lost Virya will never be able to access the **INVISIBLE CULTURAL RECORDS** in which the **SYNAGOGUE** and the **MOSQUE** are linked by an axiological correspondence, yet this **ABSOLUTE TRUTH** that we shall reveal is well concealed from the tightly shut eyes of the lost Virya, as it forms part of an **architectural strategy** devised by the **GOLEN priests**—a point we shall demonstrate here.

We know that, depending on the cultural framework, a particular meaning will be ascribed; thus, regarding the Syrian civil war or the Iraq War, several relative truths coexist, such as the truth of a Shia Muslim or that of their religious counterpart, a Sunni, or, at the other end of the spectrum, that of the UN, liberal democracies or Marxist socialisms; in other words, each cultural stratum puts forward a value-laden interpretation of the emerging design, be it the war in Syria, Afghanistan, Iraq, Libya, Egypt, etc.

This example of the TEMPLES, which we shall discuss in more detail, with their strategic significance as religious axiological superstructures, affirms that each of them represents a space of religious significance where, since the dawn of time, **BOTH RELIGIONS have been waging a HOLY WAR** between Muslims and Jews, a conflict which, in its early stages, encompassed their ethnic groups and the Semitic race, and which **today** has **SPREAD** to the entire Western world, forming part of an international conflict of almost planetary proportions. A racial and religious conflict amongst Semites in the Middle East, which has now been reignited within the **MACROCOSMIC SPHERE OF LIGHT** and, we maintain, **has a well-planned OBJECTIVE: to generate a HEBREW DIASPORA in ARGENTINA.**

This historical conflict in the Middle East between these religions can in fact be understood in terms of its invisible cultural records if we construct an **EXISTING ARTIFICIAL ETHNIC-RELIGIOUS REAL SYSTEM** of colossal proportions.

Such a real system is constituted by taking two cultural reference points: the HEBREW SYNAGOGUE and JUDAISM (O.C.R.)*1 on the one hand, and the MOSQUE and ISLAM (O.C.E.)*2. In fact, from these two religious architectural cultural objects, multiple emergent referential links arise that form part of this PRESENT, since we can extend the real system into the past—for example: to the Hebrew people during the Second World War, to Christianity and the Crusades against Islam, or to Imperial Rome and its struggle against monotheistic religions, etc. But what interests us is this PRESENT; exploring the PAST is almost impossible unless we establish, between these two points of reference, a cultural record that encompasses the ARGENTINE nation, since the ABSOLUTE TRUTH of the invisible cultural record lies in the HISTORICAL UNFOLDING that will unfold across this geography, across this nation. For example, this real system that we constitute extends to Kirchnerism and the Jews in Argentina, to the conflict with Iran over the AMIA case, to the Catholic Church and the resignation of Pope Benedict IV, and the accession of the new Argentine Pope, Francis, etc. The I.H.P.C. can explore this HISTORICAL real system and its VISIBLE cultural records, which, through relative values, contain the GENERAL VALUE of the historical context that has existed since the inception of these religions: Judaism and Islam. Of course, this general value is the same for Jews, Muslims and Christians, but this is not the case with the ABSOLUTE TRUTH, as this lies outside Transcendent Time and is understood only by the Tirodal Knight.

It is important to understand this *REAL SYSTEM*, as this 'apparent' endless religious war existing in the world's sphere of light is simply part of the plan of the One.

How can the awakened Virya verify this ABSOLUTE TRUTH?

1 and 2: (Referent Cultural Object and Emerging Cultural Object).

Simply by transcending the axiological context of the real system, should he do so, the **I.H.P.C.** *3 would verify, by transcending the forms of **the Cultural Object** or its **visible space of meaning**, that the **visible cultural record** linking the **SYNAGOGUE** and the **JEWS** to the **MOSQUE** and **ISLAM** is underpinned by an **astral archetype which sustains the topological infrastructure of the religious cultural model of both dogmas.**

That astral archetype is the will of the DEMIURGE; consequently, there is an axiological correspondence between both demiurgic creeds, signifying an integration of both religions which, whilst 'enemies' externally (manifested in different spaces of meaning), are metaphysically sustained and revitalised in their forms by the very same volitional power of the astral archetype.

The potential differences that manifest in their inverse symmetry are represented in their axiological cultural super-objects, which are visible and 'different': one is a MOSQUE and the other a SYNAGOGUE, and it is almost impossible for a Jew or a Muslim to perceive an axiological correspondence; this is not the case for a VIRYA BERSERKR, as the knight Tirodal is well aware that both structures, beyond their forms, are geometric spaces whose topological infrastructure is sustained by the same astral archetype, and within them WORSHIP is paid to the representative of the GOD of the astral archetype—the DEMIURGE—as Jehovah for the Jews or as Allah for the Muslims.

Therefore, if we take the analogy of the geometric cube as the metaphysical foundation of a cultural structure, we can confirm that racial hatred between Jews and Arabs is one visible face of the geometric cube; the other hidden faces of the cube, its connections and knots, are invisible to the lost pasú or virya.

The phenomenon itself, its Suprafinality, becomes visible if we take in all the faces of the geometric cube or tetrahedron; we can draw a parallel: each face of the cube is a relative truth, and the sum of all of them constitutes the overall value, which corresponds to the PLAN of the ONE: to bring the Hebrew race to world power—a condition that will be realised when the state of ISRAEL or the NEW JERUSALEM is established in ARGENTINA, in PATAGONIA.

What needs to happen for this to be possible, and what would prevent it?

What role do ARGENTINA and the Kirchnerist regime play in this?

Answer. In recent days we have witnessed a curious political development: the Kirchnerist stance regarding the attack on the AMIA, a Jewish organisation, a stance that shows almost no interest in resolving this case. The Argentine Chamber of Deputies approved a controversial agreement that Cristina Fernández de Kirchner's government signed at the end of January with Iran, the country it accuses of carrying out a bomb attack on the Argentine Israelite Mutual Association (AMIA) in 1994, which left 85 people dead. The vote in favour gave the pact the status of an international treaty. The memorandum of understanding signed between Buenos Aires and Tehran – which must also be approved by the Iranian Parliament to take effect – establishes a Truth Commission comprising five international legal experts (two chosen by each country and a fifth agreed upon by consensus) to analyse the investigations into the attack. The agreement stipulates that the Argentine judiciary will be able to question five of the eight accused in Iran; all are former Iranian officials, and some currently hold positions of power, such as Defence Minister Ahmad Vahidi and Mohsen Rezaee, a possible presidential candidate in June. The five are wanted by the International Criminal Police Organisation (Interpol), which issued a Red Notice for their arrest at the request of Buenos Aires.

*3: (Comprehensive Hyperborean Present Initiated)

Of course, this is all a cultural fabrication, and nothing will come of this whole lie; yet if we return to the model of the geometric cube and try to see its hidden faces—the connections of meaning that are invisible cultural records between

MESSIANIC JUDAISM (**O.C.R.**) and **ISLAM** (**O.C.E.**), we will understand that **KIRCHNERISM** is a **VITAL component** of this **real system**.

What is the overarching purpose of this real historical system?

What role does Kirchnerism play?

We know full well that that the emergence of this real historical system dates back to the founding of the State of ISRAEL in Palestine; although there are historical circumstances that stretch back to the mists of time, we are not interested in exploring this distant past, but rather this present, which embodies both an aspect of that past and an aspect of the future to come (time as an archetype: the past that no longer is and the future that always will be—they exist and are because of the present that always IS).

The awakened virya understands that this past emerged after the Second World War; the aim of international Zionism was **TO ESTABLISH THE STATE OF ISRAEL IN ARGENTINA,** but these plans failed due to the action of the **SIDDHAS OF AGARTHA in ENCIRCLING ARGENTINA and bringing PERONISM (Order of ANAEL and TIRODAL) into the world's sphere of light**.

This failure necessitated the founding of **the STATE OF ISRAEL** in **PALESTINE** and the restructuring of the plan, as that land was the domain of **the PROPHET MUHAMMAD**.

FURTHERMORE, THE RELIGION OF THE DEMIURGE IS THAT OF HIS CHOSEN RACE AND THAT OF HIS HEBREW PEOPLE; YET HE WOULD NOT BE RECOGNISED AS GOD BY ALL THE RACES OF THE WHITE TREACHERY, AS HE IS THE GOD OF THE HEBREW PEOPLE, BUT ONLY LATER, AFTER HIS RETURN OF THE SHEKHINAH, INVESTED IN THE IMAGE OF THE PRIESTLY MESSIAH: JESUS THE CHRIST.

This **second coming of the Shekhinah** had succeeded in establishing **monotheism** amongst the **White race**, and the **dove of Israel** would be safeguarded by the peoples of the White betrayal. Yet the **Plan of the One** and the **entelechy of the macrostructures of the Traitorous Siddhas** have **orthogonal** projections **that are at odds with one another**, **the radial vectors propelling the Manu entelechy towards the chosen people are opposed to the plan of the Traitor Siddhas of Chang Shambhala**, for they know full well that if they wish to remain immortal, they must sustain the REAL world—the outer labyrinth—and ensure that their macrostructures do not become entelechies.

THE TRAITOROUS SIDDHAS COLLABORATE WITH THE ONE AND UPHOLD THE HEBREW PEOPLE; THEY DO NOT INTERFERE WITH THIS DESIGN, BUT THEY CAN DELAY ITS ULTIMATE GOAL BY ALTERING THE MACROCOSMIC SPACES OF THE PLANETARY OR TERRESTRIAL LOGOS, AS THEY HOLD IN THEIR HANDS THE FULL POWER OF THE KALACHKRA KEY.

Here we arrive at the great question**: to whom does Kirchnerism answer—to the DEMIURGE, to the TRAITOROUS SIDDHAS, or to both MASTERS? The same can be said with regard to the Catholic Church: to whom does this religious institution answer? Furthermore, with regard to ISLAM, JUDAISM, BRAHMANISM, LAMAISM, BUDDHISM,**
TAOISM, CONFUCIANISM, we have no doubt whatsoever that these monotheistic faiths answer to the DEMIURGE, whatever his name may be, to the ONE—the creator and organiser of the created Universe: SOLAR LOGOS, PLANETARY LOGOS.

Hence, the conflict between the Chinese and the Tibetans, and between fundamentalist Islamic Arabs (of whom the Arab world is the victim) and Zionist Golan Judaism, is merely an emerging aspect of a hidden truth that transcends the ordinary.

Now, Hyperborean Wisdom asserts: the plan to be implemented to bring the Hebrew people to power requires the founding of the state of ISRAEL on Argentine territory; such a sinister plan, in its execution, entails a DESIGN spread across various tactical movements, all centred on the RELOCATION of the Hebrew people to the Argentine Southern Cone.

Naturally, the INTENTION of this PLAN is to create a SYNARCHIC ENCIRCLEMENT around ANTARCTICA, to neutralise and seal off the gateway to VENUS underlying the HYPERBOREAN ENCIRCLEMENT, which represents the ANTARCTIC region.

<u>These four relocations are:</u>

<u>First</u>: a new, massive DIASPORA, which is already taking place with the settlement of Jews in ARGENTINA.

<u>Second</u>: the physical disappearance of the State of ISRAEL in Palestine.

<u>Third</u>: the break-up of the ARGENTINE REPUBLIC through a civil war.

<u>Fourth</u>: a state of total conflict in the Middle East, 'perhaps' a war against the State of Israel.

<u>Let us analyse these points.</u>

These four steps are invisible elements of the real Synarchic system, which is being ruthlessly implemented, resulting in a bloodbath amongst the Arab peoples; we know full well that the people of ISRAEL's blood was never shed, as they themselves claim,

and that is another matter which is beyond the scope of this treatise. We shall merely say that if anyone truly persecuted them, it was IMPERIAL ROME and, to a certain extent, later the Führer, who openly exposed them to the world.

The **JEWISH DIASPORA** is a phenomenon that has been unfolding since the 1960s; in Argentina, ethnic Jews and converts are everywhere and their numbers are growing daily, not to mention the **'psychological Jew' that has been ingrained in the national culture – but we shall return to this subject later**.

As for the radical stance taken by KIRCHNERISM on the AMIA issue, this is understandable, given that Kirchnerism is ambiguous and was left leaderless following the departure of its Jewish 'leader': Néstor Kirchner.

This political leader was pro-Zionist, collaborated wholeheartedly with his 'chosen people', and made it his mission to support the Jewish diaspora in southern Argentina.

His passing left a potential void, giving rise to the myth of the synarchic hero—the politician who saves his nation—a distorted myth that is a copy of potential inverse symmetry, as are all synarchic myths that reproduce a history that IS NOT, and which is an inverted copy of a Hyperborean truth that IS.

However, the myth of Argentina's salvation was torn to pieces by the competing forces within Kirchnerism; one faction—the Jewish one—was left at a strategic disadvantage, whilst the other, represented by Christians and Freemasons, is today the most influential and sinister, having seized control of the President's will. Strictly speaking, both factions influence the President and vie for control of her volitional and emotional strength.

Following the president's death, these initiated henchmen of the synarchy engineered and moulded the president into a myth that is an inverted copy of the 'myth' of Eva Perón.

Foolishly deceived, given her complete ignorance of esoteric matters, she was duped and subjected to the will of aberrant esotericists and politicians who are interested only in power and personal gain, blindly obeying the instructions of their closest advisers on political, economic and social matters, etc.

These opportunistic Christian politicians and Freemasons act with complete recklessness; indeed, they are themselves victims of the dark forces that represent them, and, having been projected into the outer labyrinth, they are direct victims of the TRAITOROUS SIDDHAS OF CHANG SHAMBALA and the Golem priests of Catholic Christianity.

These sinister figures surrounding the president—who is also of Jewish origin—esotericists of the 'White Lodge', are psychological pro-Marxist (pseudo-Marxist) Jews; they form part of this inverse axial symmetry so skilfully manipulated by the enemy—that archetypal duality possessed by the Hebrews to feign BEING what is neither present nor even remotely apparent in their very BEING: JUSTICE. This support for IRAN is in itself strategic and seeks to create a false image of Kirchnerism as anti-Zionist, verging on anti-Semitism.

A true potential inverse lie, since these Kirchnerist Jews are in fact fundamentalist Jewish Kabbalists who are collaborating to realise the goal conceived in the essential matrix of this sinister plan: to establish the State of Israel in Argentina.

For this to come to pass**, ISRAEL must 'disappear' from the map;** yet**,** as we well know**,** this disappearance does not entail the **extinction of the HEBREW RACE through a HOLOCAUST (a myth so frequently invoked by the Hebrews**).

If the I.H.P.C. were to carefully examine the actual system of warfare between ARABS AND JEWS, it would realise that the wars in the Middle East between Jews and Arabs have always been skirmishes, FABRICATED CONFLICTS designed to keep THE MYTH ALIVE—wars that made no military sense, armed conflicts that serve the overarching purpose of the Plan.

This historical unfolding of hatred between ISLAM and JUDAISM has two visible facets within this cultural structure: the **Sign of Sorrow**, of which the **PALESTINIAN** people are a part, and, in recent decades, various Arab peoples (Egyptians, Libyans, Syrians)—peoples amongst whom this myth of the Holocaust manifests itself, because the only blood shed is ARAB blood, **not HEBREW blood, since the latter is part of the One's utopian overarching purpose, and it is the One's chosen people who represent the One Himself.**

This centuries-long war will continue and become more dramatic, and perhaps a new 'war' will break out between IRAN and ISRAEL (we have already had three. The threefold function of the macrocosmic sphere of light: ISRAEL against EGYPT, then against IRAQ, and now against IRAN). What we must SEE and understand is the connection in meaning between the MIDDLE EAST and ARGENTINA, because the plan establishes a SYNARCHIC ENCIRCLEMENT within this topography, in this space of significance that is the ZIONIST IDEAL, in order to realise and make REAL their projects—which are those of the ONE—which would mean establishing the HEBREW people, ISRAEL (from ISIS), RA (from AMON RA) and EL (from the ONE) at the pinnacle of WORLD misrule.

Kirchnerist anti-Peronism and pseudo-Peronists are collaborating closely in this PLAN; they act in this way because they are responding to a HIDDEN FACE of the sinister plan (the economic motives put forward—oil, food, etc.—are mere surface details, concepts that are a sliver emerging from that hidden truth) and such a vile lie serves to create greater dramatic tension in the Middle East and in ARGENTINA, this truth is another hidden face of this geometric cube that manifests itself in this **cultural realm, INVISIBLE to the eyes of the masses**.

This ABSOLUTE TRUTH envisages a CIVIL WAR IN ARGENTINA,
in fact, it is already culturally entrenched (a war of ideas: nationalist Peronism, Justicialism versus left-wing Judeo-Marxist Peronism) and will become REAL if the Justicialist bulwark, the HEROIC MYSTICISM, is utterly dismantled in this nation; A CONDITION I HAVE ALWAYS EMPHASISED REGARDING THE NATIONAL IDENTITY OF THE ARGENTINE PEOPLE, A PEOPLE DESIGNATED BY THE GODS TO LEAD IN THE FINAL BATTLE.

ARGENTINA as such, if it relinquishes its heroic mystique, will disappear; it will be lost. And in this war, we, the comrades of OCTIRODAE, have a great deal to do with it: the 16 COMRADES summoned by the GENERAL'S BLOOD bear within themselves the responsibility for this final battle, and with them, the TIRODAL ORDER and its BASTION OF BERSERKER WARRIORS; if the TIRODAL ORDER loses its mystical power within the SPHERE OF LIGHT OF THE WORLD (the sole BASTION that today resists the magical war being waged on EARTH and in HEAVEN), civil war will surely break out.

This Jewish diaspora to Argentina serves that very purpose; the Jews entering the country are well aware of the mission they must fulfil, and if ARGENTINA yields, the enemy will have a REAL chance of establishing the **STATE OF ISRAEL** within a fragmented and divided ARGENTINA.

These events in **ARGENTINA** will coincide with the 'war' between **ISRAEL** and some **emerging Arab power**—which may be **IRAN** or **SYRIA**, or even **TURKEY**—in short, any Islamic nation that will be reduced to ashes, just as IRAQ was.

ARGENTINA and the MIDDLE EAST are linked by the topological infrastructure that underpins the HEBREW ASTRAL ARCHETYPE, the cultural structure

which responds to the PLAN of the ONE—and, we assert, of the DEMIURGE—since we do not know for certain whether the PLAN of the TRAITOROUS SIDDHAS coincides with this Zionist project.

LET US REMEMBER, COMRADES: THE TRAITOROUS SIDDHAS WHO GOVERN THE PLAN OF THE ONE POSSESS ALL THE POWER OF THE KALACHAKRA AND CAN ALTER THE EXTERNAL LABYRINTH, THE MACROCOSMIC CULTURAL SUPERSTRUCTURE, NOT THE DESTINY OF THE PEOPLE OF ISRAEL, WHICH CAN ONLY BE ALTERED BY THE DEMIURGE; BUT THEY CAN DELAY THE ENTELEGENIA OF THE PEOPLE OF ISRAEL BY ALTERING THE MACROSTRUCTURE, A FACT THAT CAN BE VERIFIED BY THE RISE OF CHINA AS AN EMERGING POWER. LET US RECALL THAT CHANG SHAMBALÁ IS LOCATED ON A TOPOLOGICAL FOLD IN TIBET AND IS ANSWERED TO BY THE TIBETAN BUDDHISTS AND THEIR SATELLITE RELIGIONS: TAOISM, LAMISM, ETC., ETC., IN THE EAST; AND IN THE WEST, CATHOLIC CHRISTIANITY AND ITS SATELLITE RELIGIONS: PROTESTANTS, MORMONS, JEHOVAH'S WITNESSES, ETC., ETC.

The CONNECTIONS BETWEEN MEANINGS within the invisible cultural records will soon become VISIBLE, and attitudes such as that of Kirchnerism can be understood in the light of Hyperborean Wisdom; and if the TIRODAL ORDER DOES NOT ACT AS A DISSOLVING, DISINTEGRATING FORCE UPON THE ASTRAL ARCHETYPE, this LIE of Kirchnerism—which presents a FACE that is not its own—will blind the Argentine people, and humanity in general. The hidden faces (geometric cube, oblique orthogonal axonometry) that are invisible must be made VISIBLE to the I.H.P.C., and it has the power to explore this real system and SEE the invisible knots and links, to combat their connections of meaning—which are countered with RUNIC NOOLOGICAL will, with the UNCREATED RUNES, with the SPIRIT and the WILL which is part of NOOLOGICAL PONTONICS, a praxis that equips us to 'magically' disintegrate the topological infrastructures of the Hebrew astral archetype—a PRAXIS that entails disintegrating the phonetic matrix of the astral archetype through HYPERBOREAN ACOUSTIC KABBALAH. In this final act of war, the 16 BERSERKER VIRYAS designated to disintegrate the DRAGON'S BONE INFRASTRUCTURE come into play; this will enable thousands of comrades to continue AWAKENING AND ORIENTING THEMSELVES towards the SELBST and the VRIL.

End of Part One.

We, **the comrades of OCTIRODAE**, salute all the Viryas of the world and encourage you to continue studying and deepening your understanding of the **13 Foundations of Hyperborean Wisdom**, and, if you deem it necessary, of **the texts of the Crystal Books**.

Comrades, let it be known from the outset: **WISDOM** leads to **TRUTH,** and TRUTH leads to **FREEDOM**.

THE TRUTH OF HYPERBOREAN WISDOM IS THE PATH OF THE AWAKENED VIRYA; IT IS THE GNOSTIC PATH PAVED TOWARDS HIS LIBERATION, TOWARDS FREEDOM IN THE ORIGIN, TOWARDS THE UNCREATED HOMELAND OF THE ETERNAL SPIRIT.

WILL, COURAGE AND VICTORY

We are deeply grateful to the comrade who contributed to the compilation of this text.

OCTIRODAE *** CORDOBA *** ARGENTINA.
